

A festive holiday still life featuring lit candles, silver ornaments, and greenery. The scene is set on a dark wooden surface. On the left, a tall, slender silver candlestick holds a lit white candle. In the center, a smaller silver candlestick holds another lit white candle. To the right, a glass vase contains a branch of greenery with small, round green fruits. In the foreground, a silver tray holds several ornaments: a large silver sphere, a smaller silver sphere, a white frosted sphere, and a silver sphere with a textured, beaded surface. A small silver ornament with a white lace-like pattern is also visible. A lit white candle sits on the right side of the tray. The background is softly blurred, showing a window with light coming through and a Christmas tree with lights in the distance.
