The J. Peterman Poster Collection.

**Hauser's Bar-Restaurant.** By Hohlwein (1921). Dimensions: 34-1/2" x 48". (No. C152). Price: \$6,000.

Ludwig Hohlwein. Most famous German poster artist of the 20th century. Captured the lifestyle of Europe's rich and famous during the Teens, Twenties, and Thirties. Found today in museums worldwide—and still a powerful influence of graphic artists.

Original posters by Hohlwein, like those by other well-known artists, have risen steadily in value since the 1980s. The best are hard to find now. But you can still find them if you know where to look.

The J. Peterman Web site, for example.

Visit [www.jpeterman.com](http://www.jpeterman.com) and click on the "J. Peterman Poster Collection" section. You'll see a changing selection of bold, ingratiating designs dating back to Edwardian times.

Many are by the best-known poster artists. All are original lithographs in collectible (good to excellent) condition, each backed in linen and shipped rolled with Certificate of Authenticity.

They tend to retain their value better than many technology stocks have done recently.
